

# *TOWN OF BARNSTEAD*

*Annual Report for Year Ending December 31, 2017*

## Stuart “Twink” Merrill

*Stuart “Twink” Merrill,  
83, of Bow Lake Road,  
died February 16th at Concord Hospital following a brief illness.*

*He was born in Lexington, Ma. The son of Harvey and Helen Merrill. He was a graduate of Pittsfield High School, Army Veteran having served in Japan and was a member of the Barnstead American Legion Post. He retired after 40 years from the NH State Fish & Game Dept. of Fisheries. He was” Barnstead’s Citizen of the Year” in 2014. Twink was a member and one of the 14 founding members of the Barnstead Historical Society.*

*Twink brought to the Historical Society his love of Barnstead and his focus on the town’s more than 120 cemeteries, grave yards and burial sites. He was first elected as a member of the Trustee of the Trust Funds in 1978 and continued to serve until his death.*

*Twink wrote and published the “History and Genealogy of the Barnstead Early Families from 1727 to 1970” long before the days of ancestry.com genealogy.com. He also wrote on the early Fire Depts. of Barnstead and of his work with NH Fish and Game.*

*Twink is survived by his wife Grace Merrill and a brother Douglas Merrill.*

*So when you pass by one of those old grave yards on your travels around Barnstead think of “Twink” with a smile and the love that he had taking care of the past.*

*“ His kind cannot easily be replaced!”*

## 2017 Citizen of the Year

*We wish to congratulate Elaine Swinford, Barnstead's 2017 Citizen of the Year.*

*For many years Elaine has tirelessly run the Barnstead Thrift Shop & Food Pantry which helps the less fortunate residents of our Town. She is all for giving people a hand up when tough times happen, and she is especially fond of veterans and seniors.*

*Elaine and her crew of volunteers are also instrumental with the Barnstead Thanksgiving and Christmas Assistance Program(s) that benefit many families in Town. When times are tough, it is nice to know that Elaine and her crew at the Barnstead Thrift Shop & Food Pantry are there to help with food, friendly smiles, and advice when asked. If that is not enough to keep her busy, Elaine has held the Welfare Officer position in Barnstead for 10 years. Working in this capacity, she has been able to help many families face their challenges then assist them to get back on their feet. The Town of Barnstead is very fortunate to have someone such as Elaine in this position. The next time you see Elaine, be sure to give her a big congratulations for being chosen as our 2017 Barnstead Citizen of the Year.*

## *Boston Post Cane*

*Eleanor Pearl Tarbox of Holmes Road, was the recipient of the 'Boston Post Cane' in October of 2017. Presenting the Cane were her daughter Annie-Ruth Holmes, her son Clarence Tarbox and her granddaughter, Ashley Tarbox.*

*Eleanor, who turned 96 years old on April 6, 2017, moved to Barnstead in 1942. Besides her love for family and friends, she had a passion for gardening and writing poetry. Sadly, Eleanor passed away this year; She will be sorely missed.*

### *In Remembrance*

*The Town of Barnstead officials wish to express our condolences to all of the families who have lost loved ones this year, whether they were new to the community or had lived here all their lives.*

## SELECTMEN’S REPORT

Dear Residents and Taxpayers of Barnstead:

In 2017 the Board of Selectmen set about to present the voters with a proposal for a new police station, which is not too big, not too small, not too expensive, but not “cheap” and the method of financing had to be the best deal available. We believe we have achieved all of those goals, and in the final analysis the voters should be well satisfied with our efforts.

On another front, our long time Road Agent, Jim Doucette, resigned for personal reasons, necessitating the appointment of an interim Highway Administrator. Per the Statutes, the Board appoints someone to fill the remainder of the term – which ends in 2019. We chose David Kerr because of his many years as Selectman as well as his experience on the Lakes Region Transportation Technical Advisory Committee. The Board also hired a part-time mechanic to make all or most of the repairs and maintenance to the Town’s Highway fleet, and much of the regular maintenance on the Police vehicles.

We administered the 2017 town budget while ensuring that each department was able to function without waste or want. Our efforts yielded increasing our surplus to \$686,000.

Lastly, we would like to acknowledge the dedicated and professional staff at Town Hall, whose priority, through combined team efforts, is to serve and assist the people of Barnstead and the public. Our job would not be possible without their expertise, knowledge and dedication.

Your Select Board members sit on various other board and committees, including; Planning Board, Zoning Board, Budget Committee, Safety Committee, BCEP Solid Waste Committee, Parks & Recreation Commission, and the Suncook Valley Region Town Association.

The Select Board meets every Tuesday evening beginning at 5:00 p.m. and is open to the public.

Respectfully your Select Board,

**Edward Tasker, Chairman**

**Richard Duane, Vice-Chairman**

**Sean Dunne**

**Gordon Preston**

**Priscilla Tiede**

**STATE OF NEW HAMPSHIRE**  
**Town of Barnstead**  
**Warrant for 2018 Annual Meeting**

**THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.**

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

**You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Thirteenth (13<sup>th</sup>) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:**

1. To choose all necessary Town officers for the year ensuing.

1 Selectmen	3 year term
1 Treasurer	3 year term
1 Library Trustee	3 year term
1 Library Trustee	2 year term
1 Trustee of Trust Funds	3 year term
2 Planning Board Members	3 year terms
2 Budget Committee Members	3 year terms
1 Overseer of Public Welfare	1 year term
1 Moderator	2 year term
1 Supervisor of Checklist	6 year term
2. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board, as follows:
  1. Are you in favor of the adoption of Question #1, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance as follows:

In Article 4, Section 4-2 to add: Section 4-2.08 Wetland Lots. There must be fifty (50) feet between the nearest edge of any building and the high water line of any fire pond, pond, river, stream, brook or other wetland as defined in Article 2.
  2. Are you in favor of the adoption of Question #2, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance as follows:

In Article 12, Section 12-8.03 to delete the words “except under conditions established in Sections 12-8.04 and 12-11 each calendar year.”

In Article 12, Section 12-11 to delete this section.

In Article 12, Section 12-12 to delete this section.

**The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 17<sup>th</sup>, 2018, at 9:00 a.m. at the Barnstead Elementary School.**

3. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.
4. To see if the Town will vote to raise and appropriate the amount of Six Hundred Fifty Thousand Dollars (\$650,000) (gross budget) for the purpose of building a new Public Safety Building for the Police, to include architect services, engineering services, cost of construction and contingencies, and to authorize the issuance of not more than Six Hundred Fifty Thousand Dollars (\$650,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest, maturity and other terms thereon; 2/3 ballot vote required. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 7-1). (Tax rate impact: 0 for 2018) (2019 Estimated payment: \$103,000 – Estimated Tax rate impact: 19 ½ cents per \$1,000 of assessed valuation).
5. To see if the Town will vote to raise and appropriate the amount of Eighty Five Thousand Five Hundred Fifty Dollars (\$85,550) for the first payment of the 5 year lease purchase agreement as passed at the 2017 Town Meeting for the Fire Pumper. This lease agreement contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 19 cents per \$1000 of assessed valuation).
6. To see if the Town will vote to raise and appropriate the amount of Fourteen Thousand Six Hundred Eighty Five Dollars (\$14,685) for the purpose of purchasing Twelve Portable Radios for the Police Department. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 03 cents per \$1000 of assessed valuation).
7. To see if the Town will vote to change the Road Agent's position from an elected position to an appointed position as allowed by RSA 231:64. If the Town so votes, the change will not take place until 2019, at which time the current elected position is up. (Recommended by Selectmen 5-0).
8. To see if the Town will vote to raise and appropriate the amount of Seventy Thousand Dollars (\$70,000) to be placed in the Bridge Construction Capital Reserve Fund (current balance \$269,414). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 16 cents per \$1000 of assessed valuation).
9. To see if the Town will vote to appoint the Selectmen as agents to expend from the Bridge Construction Capital Reserve Fund. (Recommended by the Selectmen 5-0). (No tax impact).

10. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thousand Dollars (\$200,000) to be placed in the Road Paving and Maintenance Expendable Trust Fund (current balance \$9). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 45 cents per \$1000 of assessed valuation).
11. To see if the Town will vote to raise and appropriate the amount of Fifty Thousand Dollars (\$50,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund (current balance \$95,012). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 11 cents per \$1000 of assessed valuation).
12. To see if the Town will vote to raise and appropriate the amount of Fifty Thousand Dollars (\$50,000) to be placed in the Fire Rescue Expendable Trust Fund (current balance \$89,305). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 11 cents per \$1000 of assessed valuation).
13. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be placed in the Barnstead 300 Year Celebration Expendable Trust Fund (current balance \$7,578). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 1/2 cent per \$1000 of assessed valuation).
14. To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Parks & Recreation Building Capital Reserve Fund (current balance \$47,028). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).
15. To see if the Town will vote to raise and appropriate the amount of One Dollar (\$1.00) to be placed in the Historical Society Building Capital Reserve Fund (current balance \$63,254). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).
16. To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Public Safety Building Capital Reserve Fund (current balance \$264,803). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).
17. To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Emergency Preparedness Expendable Trust Fund (current balance \$64,965). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).
18. To see if the Town will vote to raise and appropriate the amount of Ten Thousand (\$10,000) to be placed in the Municipal Computer and Equipment Expendable Trust Fund (current balance \$35,535). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 2 ½ cents per \$1000 of assessed valuation).

19. To see if the Town will vote to raise and appropriate the amount of Sixteen Thousand Dollars (\$16,000) to be placed in the Milfoil Treatment Expendable Trust Fund (current balance \$24,201). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 3 ½ cents per \$1000 of assessed valuation).
20. To see if the Town will vote to raise and appropriate the amount of Four Thousand Dollars (\$4,000) to be placed in the Library Computer Expendable Trust Fund (current balance \$397). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 01 cent per \$1000 of assessed valuation).
21. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be placed in the Cistern Construction and Maintenance Fund (current balance \$13,647). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-1). (Recommended by Budget Committee 8-0). (Tax rate impact: 2 ½ cents per \$1000 of assessed valuation).
22. To see if the Town will vote in favor of the establishment of an additional \$5.00 motor vehicle registrations fee collected from all vehicles, both passenger and commercial, with the exception of all-terrain vehicles, antique motor vehicles and motorcycles, for the purpose of supporting a Municipal and Transportation Improvement Fund and to establish a Municipal and Transportation Improvement Capital Reserve Fund, under the provisions of RSA 261:153, VI for the purpose of funding wholly or in part, improvements to roads and culverts, including engineering and right-of-way acquisition costs. Further, to name the Selectmen as agents to expend from said fund. Said additional fee to begin on April 2, 2018. (Recommend by Selectmen 4-1). (No tax impact).
23. To see if the Town will vote to establish a Police Vehicle revolving fund pursuant to RSA 31:95-h, for the purpose of purchasing new or used police vehicles and/or the repair of existing police vehicles as needed. All revenues received for police vehicles from the cruiser fee charged to outside agencies when doing police details will be deposited into the fund and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund balance. And further to raise and appropriate the sum of Twenty Two Thousand Dollars (\$22,000) to be added to this revolving fund with said funds to come from the unassigned fund balance. The town treasurer shall have custody of all moneys in the fund and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. (The \$22,000 in funds represent the revenue collected from the police special details in 2017). (Recommended by Selectmen 5-0) (Not Recommended by Budget Committee 6-2). (No tax impact).
24. To see if the Town will vote to raise and appropriate the amount of Twelve Thousand Nine Hundred Fifty Dollars (\$12,950) for the purpose of creating the position of a part-time Parks & Recreation Department Coordinator who would report to the Board of Selectmen. This amount includes salary and all associated costs for a partial year beginning April 2018 and if approved, will become part of the next year's operating budget. This is a special warrant article by petition

per RSA 32:3, VI (a). (Not Recommended by Selectmen 5-0) (Not Recommended by Budget Committee 8-0). (Tax rate impact: 03 cents per \$1,000 of assessed valuation).

25. To see if the Town will vote to allow the operation of keno games within the town. Submitted by petition. (Not Recommended by Selectmen 5-0).
26. To see if the Town will vote to approve the annual Lease Agreement between the Town and Butler Bus Company for the purpose of leasing the town-owned land on South Barnstead Road to Butler Bus Company to allow the parking of Butler's school buses. Butler Bus pays property taxes on that portion of the property that is used. (Recommended by Selectmen 5-0).
27. To see if the municipality will vote to raise and appropriate the Budget Committee's recommended sum of \$4,054,588 for general municipal operations. The Selectmen's recommended sum is \$4,068,639. This article does not include appropriations by special warrant articles and other appropriations voted separately.
28. To transact any other business that may legally come before this meeting.

We hereby certify that we gave notice to the inhabitants within named, to meet at time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at Barnstead Parade Post Office, Ctr. Barnstead Post Office, Barnstead Town Hall and Barnstead Elementary School being a public place in said Town, on the 21<sup>st</sup> day of February, 2018.

## INDEPENDENT AUDITOR'S REPORT

To the Members of the Selectboard and Management  
Town of Barnstead, New Hampshire

**Report on the Financial Statements.** We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire as of and for the year ended December 31, 2017 and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.<sup>1</sup>

**Management's Responsibility for the Financial Statements.** Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from materials misstatement, whether due to fraud or error.

**Auditor's Responsibility.** Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Town's procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we express no such opinion. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluation the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Opinions.** In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire, as of December 31, 2017, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Report on Required Supplementary Information.** Management has not presented a *Management's Discussion and Analysis* of the financial statements. Although it is not required to be part of the basic financial statements, accounting principles generally accepted in the United States of America requires it along with the budgetary and pension information presented in the

section marked *Required Supplementary Information* to be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Report on Combining and Individual Fund Statements and Schedules.** Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Town of Barnstead, New Hampshire's basic financial statements. The accompanying schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly presented in all material respects in relation to the basic financial statements as a whole.

*Paul J. Mercier, Jr. cpa for*

Grantham, New Hampshire

February 9, 2018

<sup>1</sup>Please refer to the full set of GAAP financial statements on file with the Selectboard and not the individual reports and schedules published in the Town Report.

## ASSESSOR'S REPORT

After completing a sales ratio study, the Town decided it was NOT necessary to update all property values for the 2017 tax year. Therefore the 2017 assessments remain the same as 2016 unless a property had improvements or an error was corrected.

In 2018 the NH Department of Revenue Administration will be reviewing all the assessing practices of the Town to verify that the Town is in conformance with the State's assessing standards. In order to meet the State's requirements for level of assessments, it will be necessary for the Town to update assessments for the 2018 tax year. The revised assessment will be reflected on the December 2018 tax bill.

The NH DRA has determined the equalization rate for 2017 to be 90.5%. Any taxpayer that feels their property's equalized assessment does not reflect the market value of the property may file an abatement by March 1, 2018. When filing your abatement application, only valid arms length transactions may be used as comparables. Foreclosure, bank sales, and family sales are not considered valid sales. The abatement applications are available in the Selectmen's Office or online at [www.nh.gov/btla](http://www.nh.gov/btla).

The deadline for submitting all exemption and tax credit applications is April 15 for the tax year applied for. These include elderly and blind exemptions as well as veteran's tax credits. If you feel you qualify for any of these as of April 1, 2018, stop by the Selectmen's Office to fill out an application.

For 2018, the Town has continued its contract with R. B. Wood & Associates. A representative of the assessing firm is available on Wednesdays for any taxpayer questions.

Respectfully submitted,

Rod Wood, CNHA CMA  
Real Estate Appraiser Supervisor  
R. B. Wood & Associates

## REPORT FROM THE BUILDING INSPECTOR'S OFFICE

2017 produced 34 new homes in Barnstead; two of which were replacement homes. This reflects an increase of more than 100% in new home permits issued for both 2015 & 2016. A total of 35 new home permits were allotted for 2017; although 34 permits were used, two of the replacement homes did not count against the 35 new dwelling unit permit allotment. This left 3 permits unused for 2017. Left over permits from 2017 will not roll over into the 2018 new home permit allotment as per 12-8.01.

On Sept 19, 2017 due to the severe water shortage issues for those connected to the Pennichuck Water Co. system in Locke Lake Colony, the Barnstead Selectman unanimously voted to place a hold on further issuance of building permits in Locke Lake Colony. This hold will continue until such time as the water shortage can be resolved. One exception to this ruling was made for those who had the ability to legally site a well on their property that would supply sufficient water to the residence. For those who own land in Locke Lake Colony with hopes of building a new home in Locke Lake Colony, please keep in mind until the Selectman determine the water shortage has been resolved or unless you can drill your own well, no building permits for new homes can be issued in Locke Lake Colony. This ban does not prohibit existing residents in Locke Lake Colony from obtaining other building permits for repairs, additions, garages, etc.

New homes permits allowed for 2018 were calculated as follows:

The total target dwelling units (TDU) per the assessing office as of 12/6/16 was 2340.

As per section 12-7 2015 Town of Barnstead Zoning Ordinance:

$TDU\ 2340 \times 1.5 = 35.1.$

As an aside, the Planning Board raised a question regarding rounding fractional numbers, whether to round down if less than .5 or up over a whole number? Legal clarification regarding this question was provided to Town administration. It was determined anything over a whole number would require rounding up to the next highest whole number.

With this, 2018 will allow for 36 new home permits.

In 2017, a total of 543 permits were issued including Certificates of Occupancy and Certificates of Completion. This is an increase of a little more than 80 building permits from the previous year.

The total revenue collected in 2017 by this office was \$42,216.00.

If you are planning to make any structural improvements, additions, electrical and/or plumbing changes to your home, a permit is required before any work commences. The Barnstead Building Inspector position is a part-time position; please call 603-269-4071 x 110 or the Building Inspector's cell at 603-235-6469 to schedule appointments. The Building Inspector is also available every Tuesday evening (unless otherwise noted) between 5:00pm and 7:00pm for walk-ins – no

appointment is necessary or by e-mail at [buildinginsp@barnstead.org](mailto:buildinginsp@barnstead.org). Please keep in mind that Tuesday evenings can be very busy and a reply by email may take a few days.

Please remember if you have a current active building permit you must call for periodic inspections as laid out in your inspection checklist which includes a final inspection. Upon every satisfactory final inspection, a certificate of completion or occupancy is issued and this certificate will then prompt us to close your existing permit and its associated file(s). Those who do not call for a final inspection may receive a letter generated from the Building Department requesting a permit renewal at the end of the 12 month period the permit is active.

If you are installing a wood or pellet stove, water heaters, heating systems or propane tanks, fuel lines (either new or swapping out), a mechanical permit is also required. These inspections are done by the Barnstead Fire Inspector Rodney Boyd.

Barnstead uses the International Building and Residential Codes 2009, International existing Building Code (IBC & IRC), Plumbing code, Life Safety 101, and the Fuel Gas code. The 2014 NEC was adopted on January 1, 2015. This adoption date coincides with a new Ruling of the State Electrical Board (RSA 319-C:6-c) to require all licensed Electricians to acquire Continuing Education hours relating to the 2014 NEC before January 1, 2015.

Respectfully submitted,

Fab Cusson, Building Inspector/Code Enforcement Officer

## REPORT OF THE CONSERVATION COMMISSION

The Barnstead Conservation Commission would like to take this opportunity to thank the community for their support and to inform every one of the various activities undertaken in 2017 on behalf of the Town. As we have noted in previous years, the Commission continues to focus its efforts on maintaining the Town's existing conservation and recreation parcels as well as working to develop new conservation easements across the community, in an effort to meet long-term land protection goals.

As most folks in town are aware, Harrison Woods is a wonderful property the town owns off Gilmanton Road. This conservation land was made possible through the generosity of Norm and Pat Harrison. The Conservation Commission was saddened to learn Pat Harrison had passed away in late September. Mrs. Harrison was a true joy to be around and loved sharing her property with the people of Barnstead. We will definitely miss her but her legacy will continue on with the Harrison Woods. The story does continue however, since the cabin on the property was heavily damaged during the November windstorm. A number of large pine trees fell around the cabin with one landing on the cabin. The trees were removed with the much-appreciated help of Adam Burt of Burt Logging, however the damage to the cabin was significant and will need to be considered when we decide whether it is repairable. We look forward to a larger discussion on that in the spring.

At the same time, the commission continued normal maintenance on the property with the assistance of a neighbor, Bill Melanson who helps maintain the area around the cabin and the road into the Harrison property. We appreciate his assistance as well as any other folks who contributed their time. Likewise, the Commission would also like to thank the Recreation Department Archery Program for their assistance on the Stevens parcel behind the Police Station. They continue to be good partners and land stewards. Similarly, we had the assistance of the Center Barnstead Christian Church for the spring clean up at the White Oak Road beach property. We would like to thank all those who helped.

In an effort to further our efforts to develop new land protection projects, the Commission continues to work with the Bear-Paw Greenways group, a land trust from Deerfield. As a member community of the Bear-Paw group, we are utilizing their expertise in land protection issues. During the past year, we met with them to discuss the utilization of their resource data for natural resource mapping, as well as having discussions with them on several additional conservation easements in various areas of town.

The Barnstead Conservation Commission also remains an active contributor to The Belknap Conservation Coalition (BRCC). This area is an important asset available to the residents of Barnstead, and includes the headwaters of the Suncook River, Mount Major, and Gunstock Mountain.

As always, the Conservation Commission is looking for new members, particularly since the departure of Bruce Jacobs. Anyone interested in participating on the Commission or simply attending meetings is welcome at our regular meetings on the first Wednesday of each month at 7:30 at the Town Hall. Please contact Jim Fougere with any questions or comments.

Respectfully submitted,  
Jim Fougere, Chairman 269-4264

## 2017 Emergency Management Report

The town's role in Emergency Management is to coordinate the disaster response of all town departments and services in order to save lives, reduce suffering, restore essential services and minimize the damage caused by extreme natural and manmade events.

Not since the July tornado and December ice storm of 2008 have we been challenged as much to put into action what we have planned. As always our town officials, department heads, Town Hall staff, and our first responders worked together to support our community.

During 2017 the town experienced severe weather on a number of occasions but none were as threatening or as damaging as the Winter Storm of March 14-15 or the Severe Wind Event of October 30-31. Important lessons were learned from each of these events which we hope to incorporate into our Emergency Operations Plan, town policies, and department operating procedures in the coming years.

In both instances the State of New Hampshire, Belknap County, and the Town of Barnstead were able to meet Federal monetary damage levels for a disaster declaration. Town departments and Town Hall staff worked closely with our HSEM Local Liaison and FEMA to complete the appropriate paperwork and submit documentation for the costs to respond to these events.

In March 2014, FEMA approved an updated comprehensive Hazard Mitigation Plan. During the past five years town departments have implemented this plan. The plan must be updated every five years in order to be eligible for Homeland Security Emergency Management grants. In 2018 we will begin that process to include a planning grant application through the state grants program.

The EMD has represented you at many state storm and incident conference calls, as part of the Winnepesaukee Public Health Region (WPHR) planning team, at school and town safety meetings, and at various trainings and meetings with NH Homeland Security and Emergency Management (NH HSEM).

In 2017 we completed a Letter of Agreement with the Butler Bus Company and SAU 86 to provide emergency mass transportation for our residents. Should a situation occur where we need to evacuate large numbers of our citizens we now have an agreement with Butler that provides drivers and buses to accomplish this task.

In 2017 Jason Leavitt was appointed as Deputy EMD. My thanks to Jason for stepping up to provide backup to our emergency management operations.

During 2018 the EMD will:

1. Continue individual and family preparedness awareness through various methods.
2. Continue liaison with town department staff, state, county and adjoining towns to better coordinate mutual aid during disasters.
3. Provide training opportunities to town officials and volunteers when requested.
4. Begin the process to update our Town Hazard Mitigation Plan (due in 2019).
5. Review (and update if necessary) our Local Emergency Operations Plan.
6. Work with Selectmen and department heads to implement actions identified during review of our response to events that occurred in 2017.

Respectfully Submitted,

Wayne W. Santos  
Emergency Management Director

## Barnstead Fire Rescue

Another year is behind us. Please join me in looking back on our accomplishments and challenges. The scheduled replacement of Engine 1 is moving along well, with delivery expected in late February, 2018. We will conduct factory training on this new apparatus, along with familiarization before it is placed in service. The arrival of this apparatus will allow us to move the other pumper to 2<sup>nd</sup> due, which will extend its service life.

We are also very excited to report that we have been successful in receiving an AFG Grant for the replacement of our Air Packs which will be replaced in early 2018. This is a very competitive grant process and we are very fortunate to receive 95% of the total cost of \$242,880.00.

We are in our second year of communication upgrades to replace our obsolete radio equipment. Along with our in-town improvements, Lakes Region Mutual Fire Aid has just completed a much needed transmit site upgrade on Blue Job Mountain which is improving our ability to maintain contact with the dispatch center.

Our EMS Department continues to provide outstanding medical care to our citizens. Just a few short years ago most of you were probably not aware of the term STEMI (ST-Elevation Myocardial Infarction). We have had the pleasure of receiving notification from Concord Hospital that several of our crews have identified the signs and symptoms of a stroke and made early notification to the receiving hospital so the patient could receive lifesaving treatment within one hour of the 911 call. Many of these patients have walked out of the hospital within just a few days of treatment. Also, with the never ending list of changes and improvements in the Pre-hospital field, I have invited a panel of experts from outside our organization to evaluate our procedures. This will include everything we do from receiving the call for service to the documentation of reports and returning the ambulance to service. We are eagerly awaiting the results of that evaluation.

I would like to thank everyone that assisted us this past year. The list is enormous, from all town departments and staff, to mutual aid departments, state and local agencies, and of course the taxpayers of Barnstead who continue to support us.

Respectfully submitted,

Shawn Mulcahy, Fire Chief  
Barnstead Fire Rescue

# Firefighter Paul A. King

## ***Retiring After Forty Eight Years of Service***

*Paul A. King was born and grew up in the Town of Barnstead. Following a tour of duty in the United States Navy, Paul joined the Barnstead Parade Fire Co. #1 on October 1, 1969. Paul was an active firefighter in the Parade Fire Co. and, later, an Emergency Medical Technician (EMT) with the Center Barnstead Ambulance Co.*

*Among many spectacular fires that Paul was involved in fighting over his lengthy career was the fire at the Artistic Web Weaving Mill. The factory, formerly located at the Barnstead Parade Dam, burned to the ground in a multi-alarm fire on the night of August 14, 1994. Paul, who called in the blaze to fire dispatch and drove the first arriving fire truck to the scene, worked with fellow firefighters all night long to bring that blaze under control by morning.*

*Along with most of his fellow firefighters, Paul survived the challenging merger of the Barnstead Parade Fire Co. and the Center Barnstead Fire Co. in 1994. Following the merger, Paul continued to remain active in the co-joined Barnstead Fire Rescue, Inc. In a letter of commendation to Paul from the Barnstead Board of Selectmen dated March 30, 2005 for response actions to a house fire on Parade Road, the Board state that "your professionalism and dedication is greatly appreciated." That day, Paul's rapid and competent response to the house fire ensured the safe evacuation of the house occupants and the family pets.*

*At the January 2013 funeral of Chief Roscoe W. Tasker, he was charged with ringing the fire bell at graveside services to honor Chief Tasker's service as Fire Chief for Barnstead Parade Fire Co. #1. Paul was uniquely qualified for this task since he was the only former Parade Fire Co. member who still owned a Parade uniform that he could fit into.*

*Now, Paul has retired after forty eight years of dedicated service to fire and rescue organizations in the Town of Barnstead. Please join us in wishing Paul King a restful and very well deserved retirement.*

## **Barnstead Firefighters Association**

### **Annual Report 2017**

Barnstead Firefighters Association (BFA) was formed in 2011 to provide additional support and aid to the town's Fire Rescue Department, at no cost to the taxpayers. Consistent with that goal, the Barnstead Firefighters Association has engaged in a number of activities during calendar year 2017 that lent support to the Barnstead municipal Fire Rescue Department and to the community of the town of Barnstead.

#### Retirement Congratulations

Barnstead Firefighters Association would like to sincerely thank and congratulate firefighter Paul King on his retirement after giving fifty years of service to Barnstead Parade Fire Company No.1 and to Barnstead Fire Rescue.

#### Jake Weber Scholarship Fund

In 2014, Barnstead Firefighters Association established a scholarship fund in honor of the late Lieutenant Jake Weber, a member of Barnstead Fire Rescue who passed away in 2013. The scholarship is intended to provide a financial award to student(s) from Barnstead who intend to pursue an education in firefighting and/or emergency medical services. In 2017, BFA awarded the first Jake Weber Scholarship to Kyle Holmes, a Barnstead Fire Explorer who plans to pursue an education in fire technology at New Hampshire Technical Institute (NHTI) in Concord.

#### Road Race

BFA sponsored the fifth annual Barnstead Firefighters Association road race on August 19, 2017. Participation at the 2017 race was lower than in previous years due to conflicting schedules with several other road races in the area on the same day. The race still raised \$985.00 for the association. The 2018 road race is scheduled for August 18, 2018. Pre-registration and on-line registration information will be announced.

#### Support for Gilmanton-Barnstead Fire Explorers

Barnstead Firefighters Association, in conjunction with Gilmanton Firefighters Association, sponsors the annual membership for the Gilmanton-Barnstead Fire Explorers Post 900.

For the fourth year in a row, we are extremely proud to announce that our Explorers won the Outstanding Post of the Year award for the state of New Hampshire in 2017. Also for the fourth year in a row, Captain Brian Cottrell of Barnstead Fire Rescue won the award for Outstanding Explorer Advisor of the Year for the state of New Hampshire. Much credit is owed to Capt. Cottrell for guiding our Explorers to their exceptional success.

The Gilmanton-Barnstead Fire Explorers is an organization that enables teenagers to learn teamwork skills, organizational skills and firefighting expertise by teaching them firefighting work practices. The Explorer organization gives these teens the opportunity to learn practical skills, introduces them to the concept of community service and opens the door to the firefighting community as a potential career. Barnstead Firefighters Association is extremely proud of the achievements of our Explorers. The Explorer organization is open to any teen aged fourteen to eighteen. Teens interested in joining the organization can telephone Barnstead Fire Rescue Station 2 at 269-4121.

# Report of Forest Fire Warden

George R. Krause, II Warden

Deputy Wardens: Shawn Mulcahy, John Drew, Gary Doucette, Roscoe Tasker Jr., Nicholas Rott

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildland fire activity throughout the state. September and October saw fire conditions change and the state was faced with some difficult fires. The Dilly Cliff fire in North Woodstock was one of the most challenging fires we have seen in New Hampshire. Steep terrain and extreme fire behavior made this fire difficult to fight. It lasted for over 3 weeks and the final hotspots in inaccessible terrain were extinguished by heavy rains. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2017 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

As we prepare for the 2018 fire season, please remember to contact the Fire Department at 603-269-4121 to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning. Fire permits are also available online in Barnstead and may be obtained by visiting [www.NHfirepermit.com](http://www.NHfirepermit.com). The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or [www.des.nh.gov](http://www.des.nh.gov) for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdfl.org](http://www.nhdfl.org).

## 2017 WILDLAND FIRE STATISTICS

(All fires reported as of December 2017)

HISTORICAL DATA		
YEAR	NUMBER of FIRES	ACRES BURNED
2017	64	107
2016	351	1090
2015	124	635
2014	112	72
2013	182	144
2012	318	206

## CAUSES OF FIRES REPORTED

(These numbers do not include the WMNF)

Arson	Debris Burning	Campfire	Children	Smoking	Railroad	Equipment	Lightning	Misc.*
0	7	11	1	4	0	4	0	37

*Fax (603) 269-4072*

2017 was a year of changes and transitions for the Health Dept. First we would like to acknowledge Bill Evans who served as Barnstead's Health Officer for 10 years. Bill has gone on to enjoy retirement and we wish him the very best.

Fab Cusson has replaced Bill Evans as Health Officer and Mary Jane Dascoli has filled the position as Deputy Health Officer.

Over the past year I've had the opportunity to speak to many residents regarding various public health related issues. I've come to realize, in some cases, residents were unaware that Barnstead has a Health Officer, or were unclear as to the responsibilities that accompany this position.

Though not exhaustive, below are a few of the most common roles we take on in Barnstead as Health Officer on your behalf.

We may be called upon to assist the D.H.H.S., Bureau of Communicable Disease, to act as liaisons to local citizens by linking them to state, local and federal resources. We will distribute or display materials/health alerts produced by local, state and national partners. Generally I post all health alerts as they come in on the town bulletin board located to the right of the Town Clerk/Tax Collector's window.

We conduct sanitary investigations into complaints and public nuisances that may endanger public health including a buildup of garbage, dead animals (and their burial), insects, unsanitary living conditions, rodents, and safe drinking water inspections. I will inspect septic systems to determine if a system has failed and, when necessary, coordinate with the NH Department of Environmental Services to certify septic system failure. The Health Department, along with the Building Department, can also be the enforcement of NH RSA 48A Minimum Housing Standards for rental units as per Section 3-5 of the Barnstead Zoning Ordinance.

Though more rarely, we also conduct the inspection and approval of schools, and or facilities used to provide childcare and foster homes, along with taking water tests as needed of public/private water supply suspected of being unsafe, per directives from the NH Department of Environmental Services.

If you have a public health concern, I may be reached directly by phone or text at (603)235-6469.

Sincerely,

Fab Cusson, Health Officer  
Code Enforcement Officer

## Barnstead Historical Society

It was a fairly quiet year for the Barnstead Historical Society. We continue to grow our collection thanks to generous donations from current and former residents. We are grateful for these donations that continue to link our present and past.

We kicked off our year with a January to learn about ash splint basketry of the Wabanaki people with Neil English from Epsom. Mr. English shared with us stories of how specific baskets were constructed and used by members of his own Penobscot Tribe, along with other Native Americans. He brought with him many examples of these different baskets, some of which were passed around for the audience to see. Other baskets were too fragile and were available for display only. More than 16 people came out to our first ever winter presentation.

In February, we lost one of our final founding members. In 1972, Stuart “Twink” Merrill was one of the 14 founding members of the Barnstead Historical Society. He brought to the Historical Society his love of Barnstead and his focus on the Town’s more than 120 cemeteries, grave yards and burial sites. Twink was first elected as a member of the Trustee of the Trust Funds in 1978. He continued to serve on both the Historical Society and the Trustees of the Trust Funds until his death.

In May, the Society was contacted by representatives of the Stock family, who expressed their desire to sell the old school house property on South Barnstead Road (Route 126). While the location and historical aspect of the property was desired by the Society, ultimately, due to the timing and work required to restore the property, it was decided that this was not the time for the group to pursue the purchase. The property was sold to a private individual and we have every confidence in his ability to bring the property back to its former glory.

In July, we welcomed Kathy Preston to share her experiences growing up in Eastern Europe during the Holocaust. Mrs. Preston’s story is one of hardship and survival during the worst atrocities committed against humanity. For those who have not heard her speak, we encourage you to attend one of her future presentations.

In addition, the Society sold refreshments during two concerts on the Parade Grounds. We thank both the members who donated supplies and those who purchased items for their support.

The Historical Society again partnered with the Library to sponsor two events funded through grants from the New Hampshire Humanities Council. In September, Barnstead’s own Jordan Tirrell-Wysocki presented some of the adventures, misadventures, and emotions experienced by Irish emigrants using “Songs of Emigration: Storytelling through Traditional Irish Music”. Just in time for Halloween, Margo Burns explored “The Capital Crime of Witchcraft: What the Primary Sources Tell Us” using an array of prosecutions in seventeenth century New England. We look forward to working with the Library to bring additional programs in 2018.

The Society also participated in the 2017 Old Home Day. Many visitors came by to purchase books and look at our collection of old Barnstead photos. A raffle was held at the end of the day. We thank both the generous donors of raffle items, including Millican Nurseries, Clark’s Grain Store, Dolan Fine Wildfowl Carving, Ken Pitman, Marjorie Terry and Denise Adjutant, as well as those who purchased tickets.

The Historical Society also assisted the Library with obtaining a subscription to Ancestry.com for use by library patrons. This subscription is offered to libraries at a reduced rate through the NH State Library and can only be used on the computers available at the Library. We look forward to workshops the Library will be conducting on how to use Ancestry.com to do genealogical research.

The Society once again held its Christmas sale in December featuring books, town reports, bicentennial memorabilia, crafts and baked goods. Thank you to all who donated items, helped with set up, and most importantly, came by to visit and purchase items.

Officers for 2018 were elected at our final meeting in October:

- Denise Adjutant, President
- Ken Pitman, Vice President
- Jeannie Terry, Treasurer
- Betsey Webber, Secretary
- Sandy Burt, Nancy Carr and Lance Tasker, Board of Directors

The Society meets April, June, August and October on the 4th Thursday of the month at the Town Hall at 6pm for Pot Luck Supper, followed by a business meeting at 7pm; all are invited to keep history in Barnstead alive!

We would like to again thank the Selectmen for continuing to allowing us the use of the Town Hall.

## Barnstead Milfoil Control Committee Report 2017 Treatment & Forecast

The summer of 2016 was the first year we began attacking water variable milfoil in Barnstead with a new program. Instead of using scuba divers to remove surviving plants after an herbicide treatment, the focus was to have divers keep milfoil vegetation to a minimum and use herbicide to treat only when the root system in an area becomes too dense for divers to remove. This approach requires divers to be in the water constantly monitoring the water body for any new plants. As a result, the Town of Barnstead is seeking certified Weed Control Divers (WCD) again for our summer 2018 program. If you are Scuba certified, please sign up for our WCD class June 2 (rain date June 3) at the Suncook Lake. We also need volunteers to help with the program. The Milfoil committee meets the second Saturday every month in the Oscar Foss Memorial Library from 9am to the finish of business or by noon.

In summary, our new program has continued to make great strides in implementing a process never tried before. Over 88 - twenty five gallon barrels of milfoil was removed from the Suncook Lakes in 2016. Milfoil found and removed in the 2017 summer dropped by more than half to just 40 - twenty five gallon barrels. All plants were removed from any infested areas and the final survey during the early fall showed few remaining plants. But, surveying and diver activity must continue.

As the number of plants is reduced, the effort required to inspect greater areas of the waterway increases. Critical to the success of the entire program requires removing any new shoots that sprout from surviving root structures. Consequently, the BMCC has turned to the Robotics groups at the Prospect Mountain High School. We have asked for their help to obtain a functional robot with camera and location device to make the task of surveying the lake bottoms for milfoil in Barnstead. The students will help with the process to learn more about how to find the plants and provide the training of volunteers needed to constantly survey Suncook Lakes, Half Moon Lake, the Suncook River and Locke Lake.

It is expected that Suncook River operations will begin to make a dent in the milfoil infestation this summer of 2018. The 12x16 foot barge is in place and the milfoil harvesting gun is being modified to handle two suction nozzles at the same time; one for shallow water plants and one for divers working in water greater than 3 feet deep. Over 500 hours of dive work and support is scheduled which will be paid from the 2016 Town Budget special request, a new \$7,500 grant received from NH-DES, and the 2018 warrant article. We are hopeful of having at least 5 new divers taking the WCD class this year.

We expect to reduce the presence of milfoil over the next 2-3 years with the diver activity **provided we get support by people in Barnstead**. One or two people can not possibly do this job. This summer is important to make a major impact on the milfoil growth that continues to infest the Suncook River.

**We again ask for volunteer help** even if you can only spare several hours a week or a few hours a month, especially if you live along or near the Suncook River. We need people to help with providing a safety person on the barge while the diver(s) are in the water, to help pilot and work the suction harvester on the barge, to help move the barrels containing the milfoil to a pickup location for the Town road crew, and to help with the paper work of logging the divers activity, plant area's that were worked, and writing up a short daily activity sheet for our records. Tenders are always needed to support milfoil bag retrieval from divers using canoes or kayaks and as milfoil spotters and segment retrieval during diver operations.

Everyone who spends time on the River can be milfoil spotters by familiarizing yourself with what the plant looks like in the water and reporting locations where you find it. Please see our page on the Town's web site, call the Town Hall, or email us at [Bmcc603@gmail.com](mailto:Bmcc603@gmail.com).

Respectfully submitted,

Barnstead Milfoil Control Committee  
Ed Neister – Chairman

Jim Fougere – Assistant Chairman

Ken LeGrow – Friends of the Suncook River

## **2017 Annual Report**

2017 was a very special year for our library. We turned 100!

Oscar Foss Memorial Library was donated to our town in 1917 by Sarah Ursula Foss in honor of her husband, Oscar Foss. The original dimensions of our building were 26' by 46' and housed the town offices, the library, a reading room, and a vault for town records. Over the last 100 years your library has served the town as a place for the community to gather and learn. In 1985 we were added to the National Historical Register and in 2000 we expanded into the beautiful space you enjoy today.

The library kicked off our centennial year by reorganizing and updating our collection, putting a fresh coat of paint on the walls, and adding new hours. We ran a number of programs leading up to the centennial, including our "Where's Oscar?" contest. Our centennial was officially celebrated on October 21st and was a great success! We had a visit from WMUR meteorologist Josh Judge, Elephant and Piggie, a birthday cake, and the grand opening of our new used bookstore, "Sarah's Little Book Nook", named in honor of Sarah Foss.

The library would like to thank our patrons, volunteers and the community for all of your support. We look forward to serving our town for another 100 years!

### **Circulation**

The Oscar Foss Memorial Library circulated 27,868 items in 2017. We registered 159 new patrons for a total of 3,064 registered users. Books are still the number one circulated item followed closely by DVDs and adult audio books. We added 2,203 new items bringing our collection size to 15,444 items. NH Downloadable books continue to circulate steadily with no change in checkouts. The library has also added virtual reality goggles, a Cricut machine, a record player, pocket microscopes, and a ukulele to our collection.

### **Community Partnerships**

The Oscar Foss Memorial Library continues to be involved with the After School and Summer Learning Program for Elementary and Middle school youth grades K-8, also known as the Barnstead Adventure Zone. Barnstead was selected as a recipient of the 21st Century Community Learning Center project through the Department of Education in 2014. The library provides programing and space for students visiting the library from the Barnstead Adventure Zone. New programs are being created for the 2018 sessions.

The library worked with the Barnstead Elementary School several times this year. We had our Summer Reading Kick-off in June, a table at the Literacy Fair and at Internet Safety Night, we gave the first graders and Bridge group a tour of the library, visited the 6<sup>th</sup> grade class to teach them how to access e-books through the library's Overdrive system, and went to the school twice a month for a middle school book club.

The Barnstead Historical Society and the Oscar Foss Memorial Library collaborated to host two NH Humanities Council presentations. *Songs of Emigration: Storytelling Through Traditional Irish Music* and *The Capitol Crime of Witchcraft: What the Primary Sources Tell Us*. The NH Humanities Council awarded the library a grant to make these programs possible. The Barnstead Police Department read at Story Hour during our Summer Reading Program and volunteered Santa for our Holiday Story Hour. The library also helped to collect toys for Operation Santa Clause.

The library collected canned goods and warm winter clothes during the year to benefit End 68 Hours of Hunger, the Barnstead Food Pantry and Thrift Store, and the elementary school.

The library meets monthly with the Barnstead Helpers, a group of representatives from the schools and the community working together to help promote the success of programs like End 68 Hours of Hunger, the Barnstead Adventure Zone, and the local food pantry. We have also worked with the Helpers to develop a community events calendar that we hope to launch in 2018 and the group participates in meetings for the Substance Abuse Prevention Coalition.

The library had a table at Old Home Day.

We were happy to work with various volunteer members of the community this year to offer local author signings and weekly yoga classes.

The library meeting room enjoyed much use from community members and organizations in 2017, with 183 non-library sponsored programs and meetings with a total attendance of 2,260.

The Library hopes to focus on more collaborations in 2018 to better share our skills and services with the entire community!

## **Library Programs**

**Adult:** This year the Oscar Foss Memorial Library hosted 93 library-sponsored adult programs, with a record 1,247 people attending those events. Some of the programs offered included Yoga at the Library, Baking With the Piesmith, and Black Bears in NH. Our monthly Adult Book Club has continued to be a successful program as well. The Friends of the Oscar Foss Memorial Library generously donated a leather loveseat for our centennial and replaced the tables and chairs in our meeting room. The Friends are currently on hiatus due to low membership and would love some new members! Contact the library for more information on how to become a Friend.

**Children and Teens:** There was a grand total of 200 youth and family library programs held this year, with total attendance at 2,749 participants! Overall, there was an increase of 16% over last year's total program participation. This year we added several new programs along with our other ongoing and annual programs.

We continue to run the very successful Story Hour program on Wednesdays at 10am and Toddler Time program on Tuesdays at 10:30am. In 2018, we will be discontinuing Toddler Time and trying out a Saturday Story Hour that also allows parents to gather in the meeting room for coffee and conversation. The Teen Writer's Group meets the first Thursday of the month at 6:30pm and the Teen Advisory Club meets monthly on the last Thursday from 6:30-7:30pm. The teen advisors did an amazing job of decorating our Little Free Library this year, which is now located outside on the path near our entrance. In addition to these ongoing programs, families enjoyed other fun events like Lego Construction Party, Prom Makeover, Middle School Graphic Novels Club, and several family movie and game nights. We are excited about our programs and delighted to see participation continue to grow!

2017 was a fun year for our Summer Reading Program. This year's theme was "Build a Better World: Build a Better Barnstead" so we focused on programs that promoted volunteering, a community spirit, and encouraged recycling.

There is always something happening at the Oscar Foss Memorial Library. Be sure to like us on Facebook!

## **Overseer of Public Welfare**

**It is the job of the Overseer of Public Welfare to care and maintain the residents of the Town of Barnstead.**

**The Overseer assures that the people are warm, have power, and are safe. The Overseer also spends time helping with job research, training and just being available to get them through tough times.**

**Some when times are tough just need to know that there is a place in Town that will help.**

**I have been doing this elected position now for 10 years and would not change a day; -some have been easier then others but at the end of day you know you have made a difference.**

**I will continue as long as you like**

**Elaine Swinford  
Overseer of Public Welfare**

**If you need a helping hand**

## OLD HOME DAY 2017

Barnstead Old Home Day was celebrated this year on September 9, 2017. A wonderful time was had by all!

Entertainment included Alex Beijer as our DJ, Megan Arey and her dogs of Inspire K-9, Gail Eaton of “On the Dance Floor” with a line dancing lesson and demo, a big parade with fire engines, police vehicles, antique cars, floats, the Prospect Mountain and Barnstead Elementary School Bands. In addition, there was a car show, a touch-a-truck, a presentation by the Barnstead Historical Society, a salute to our veterans, a bike parade with prizes, Motion Man, and Chris Bonoli with an open mic. There were 30+ vendors and non-profits to visit, as well as the Barnstead Farmer’s Market on the field this year, so there was food, fun, crafts and entertainment all in one place. The Grand Marshall was Belle Rollins and Elaine Swinford received the honors of Barnstead Citizen of the Year Award. Other big winners were Michael Minot who won the beautiful homemade quilt donated by Eileen Murley, Karen Trefry who won “People’s Choice” for her classic Thunderbird in the car show, and Jennifer Blair was the winner of the Photo Contest sponsored by the Barnstead Community Grange.

One of the best things about this celebration is that it is self-sustaining; the money does not come from our taxes. Between raffles and a fee for vendor participation, the day paid for itself.

Big thanks goes out to the entertainers that donated their time and talents, our Police, Fire and other Town employees, the many volunteers that really helped pull the day together, as well as the people and businesses that donated prizes. Your Old Home Day Committee members for 2017 were Lisa Caldwell, Lisa Carazzo, Jeremy Charette, Kathy Kelley, Lori Mahar, Becca Richards, and Kim Riel.

## **BARNSTEAD PLANNING BOARD ANNUAL REPORT**

The Planning Board had a busy year with the approval of 2 major sub-divisions, 1 minor sub-division, 2 lot line adjustments, 7 conceptual consultations and 3 site plan reviews for new businesses in town.

We have also had of spent several work sessions reviewing the Zoning Ordinance for the town. These items will be a warrant article on the upcoming ballot in March of 2018.

The Capitol Improvements Plan (CIP) Committee met again over the summer months to review the needs and wants of all the town departments and the two SAU offices. The purpose of the CIP is to help the town plan for future capitol expenditures such as large equipment or buildings. The CIP Committee met with all department heads and both school SAU's to update the comprehensive guide to the town's spending over the next six years. The Planning Board approved the CIP and it was forwarded to the Selectboard Office and the School Board and SAU's for use in their budget planning. The CIP committee will resume meeting over the summer months to update the plan. If you are interested in helping the CIP committee please contact the Planning Board.

The Planning Board meets at 7:00 PM the 1st Thursday of every month at the Town Hall and all meetings are open to the public. Work sessions are held at 7:00 PM the 3rd Thursday of the month on an as needed basis.

## Barnstead Police Department

### 2017 Annual Report

#### Submitted by Chief of Police Paul A. Poirier

To the honorable Board of Selectmen and the citizens of Barnstead as your Police Chief I submit the 2017 Barnstead Police report on behalf of the men and women of the Barnstead Police Department who proudly serve our community.

Having reflected back on the year 2017 the Barnstead Police Department has made some major strides starting with officer recruitment and retention. As leaders and managers we look for the best and brightest to complement our team, are community oriented, and have a certain skill set or the training ability and experience that meets our needs. We are happy to report that the department has promoted those from within our organization, which makes our agency stronger as we move into the future with our succession plan. What goes hand and hand with hiring is the cost and certain budget constraints which we have been able to keep to a minimum with little to no cost to the taxpayers. This year, we have added a Sergeant/K9 handler position. This Officer came to our organization with thirty years of experience and filled a vacant position within the department. The K9 was already trained and all costs associated to the K9's care are either donated by a veterinarian or through community members making donations to the program.

The department has revamped many of its policies and procedures bringing them more in line with the Commission on Accreditation for Law Enforcement Agencies (CALEA) Standards and ramped up training in many areas. After a careful analysis of the departments training in comparison to the types of high risk calls nationwide, an area of concern was a need for more active shooter, high risk incident training. In 2017, Officers from the Barnstead Police Department participated in Advanced Law Enforcement Rapid Response Training (ALERRT) sponsored by the Laconia Police Department. In addition, the Barnstead Police Department became part of the *Belknap Regional Special Operations Group (BRSOG)* after one of our sponsored officers tried out for this highly competitive team and successfully passed the course becoming a member of the elite group.

*The Belknap Regional Special Operations Group provides law enforcement in Belknap County with a highly trained, specialized team of officers prepared to handle high risk situations beyond the realm of routine patrol operations, and to control and apprehend criminals. In addition, this program also provides to patrol officers throughout the county with classroom instruction and in-service practical training opportunities in topics such as: close quarter combat firearms, force-on-force (i.e. simunitions); and critical incident response. Belknap Regional Special Operations Group gives area towns less fortunate in resources, training, and logistics, the opportunity to combine resources with other area towns, and to meet these threats head-on with the means necessary to resolve these situations as safely as possible.*

Also, in our continued effort to connect with the community, we have expanded our Community Policing efforts which have received overwhelming support by our community.

Easter Egg Drop/Visit by the Easter Bunny: The Police Department event was a HUGE success with many in the community and most likely for many outside the community based on the amount of individuals who attended this event. The Police Department with the help of several community partnerships stuffed over 5,000 Easter eggs with chocolate and other candy surprises. The event took place at the B.E.S fields and a helicopter delivered the Easter Bunny to the school, dropping the 5,000 eggs from the sky. There was also a special area/egg hunt for the younger children and the child who found the "Golden Egg" won a very special "Little Tikes Playhouse" courtesy of our business partnership with "Toys R Us."

Operation Santa Claus: A department sponsored event which brings toys to children in the community that are delivered to homes in Barnstead by Mr. & Mrs. Claus and Police Department members. This year the event was expanded to include a special event at Town Hall for those children whose homes Santa Claus couldn't make a special appearance at. This event was made possible by the Police Department's community partnerships and many businesses, plus private and anonymous donations that poured into the department in support of Operation Santa Claus. (This year the department raised \$3,000 plus many donated toys to support this entire program).

Barnstead Police Department stuff a humvee food drive: The Barnstead Police Department in partnership with the Barnstead food pantry successfully stuffed the Police Department's military humvee during Columbus Day week and collected nearly 1,000 food items for Barnstead families in need.

Operation Trick or Treat: Was yet another successful community partnership event that was well received. Many Officers donated bags of candy as did local businesses to have a safe and carefree way for parents to celebrate the sometimes scary holiday with their children. This was an all hands on deck with officers descending upon the community handing out candy, as well as, officers stationed in the parade with a decked out humvee during an improvised "Trunk or Treat."

Barnstead Old Home Days: The Barnstead Police Department partnered with the Old Home Days Committee and the department called in resources from Manchester Police, State Police, NH Liquor Commission, as well as, the Belmont and Pittsfield Police Departments who participated in the Old Home Day Parade. The Police Chief was honored to be the judge for the "bike rodeo," and the Barnstead Police put on a K9 demonstration which was enjoyed by the crowd. Many Barnstead Officers were on hand to meet and greet citizens at the event.

In 2017, the Barnstead Police Department saw an increase in the volume of calls for service. The records management system recorded 6,760 calls for service; 1,290 motor vehicle stops resulting in 1,538 warnings and 285 summonses.

The Barnstead Police made 175 misdemeanor and felony arrests and presented an additional 19 felony cases to the Belknap County Attorney's Office for direct indictment.

<b>CALL TYPE</b>	<b>2017</b>	<b>CALL TYPE</b>	<b>2017</b>
BURGLARY	13	SUSPICIOUS VEHICLE/INCIDENTS	179
THEFT	65	MOTOR VEHICLE ACCIDENTS	89
ASSAULT	8	ABUSE NEGLECT	11
DOMESTICS	48	ANIMAL COMPLAINTS	280
SEXUAL ASSAULTS	3	NARCOTIC/DRUG OFFENSES	25
CRIMINAL MISCHIEF	19	CRIMINAL THREATENING	11

Although not all inclusive, these stats represent a snapshot of the hard work that the men and women of your police department do on a daily basis to keep the community safe. As always, as your Police Chief, I strongly believe in transparency and encourage members of the community to contact me anytime with suggestions or ideas that can make our agency better serve you.

Respectfully submitted,

Paul A. Poirier  
Chief of Police  
Barnstead Police Department

## REPORT OF THE ROAD AGENT

2017 was a good year for the Highway Department and the Town. Staff vacancies were filled by Ken Archambault and Adam Cook, who joined the team of Dan Beauregard, Peter Teloian and John Wescott. Road Agent Jim Doucette retired mid-year and was succeeded by Dave Kerr. Jim did a fine job working for and running the Department for many years - his knowledge, skill, and community relationships are greatly missed.

Prime project for the year was the paving of and drainage work on Varney Road. As residents of the area are aware, this entailed extensive grading and fill work on the road to prepare it for the paving contractor. Additionally, most of the culverts under both the road and driveways were replaced and roadside ditches renewed. Contractors installed a concrete stabilizing base to the road and this was paved with a “binder” layer of asphalt. The project will be completed with an “overlay” layer of asphalt in 2018.

About two-thirds of the roads in Town are not paved. These gravel roads have been problematic as most have little gravel on them and are thus difficult to maintain with a graded surface. To remedy this, gravel was applied, graded, and compacted on all or portions of North Rd., Narrows Rd., Gilmanton Rd., Garland Rd., Coles Ledge Rd., Will Smith Rd., Province Rd., Hannah Nutter Rd., Strickland Rd., Hazel Clark Rd., Colbath Rd., and New Rd.

Enhancements were made to the vehicle fleet in 2017. Receipt of unanticipated State highway funding enabled us to purchase a “new” 2006 pickup & 2009 dump truck, as well as cover most of the cost of a new Front End Loader. The balance on the Loader was paid from the Highway Expendable Trust Fund. These vehicles were all replacements of existing items. The addition of the loader completes the modernization of our off-road (loader, grader, backhoe, excavator) fleet. The newest of our six dump truck/snowplows is over six years old and three are over twenty years old. Replacements for these vehicles will be considered as funding and opportunity permit.

While no paving on existing gravel roads is contemplated, continuation of the repaving of Shackford Corner Road is planned and overlay paving of other roads, consistent with funding. Significant amounts of gravel will be placed on North Barnstead Rd., John Tasker Rd., Holmes Rd., Province Rd., and many of the shorter roads in the Town. Roadside clearing will continue with a goal of vegetation, stump and rock removal to improve drainage, and visibility for road users. This will also allow more sunlight on road surfaces to aid in snow/ice removal, plus provide safer travel lane clearances.

Your Highway Department members remain dedicated to the maintenance of over 90 miles of roads on which you travel and rely.

Respectfully,

Dave Kerr, Road Agent

Ken Archambault  
Dan Beauregard  
Adam Cook  
Peter Teloian  
John Wescott

### **SUPERVISORS OF THE CHECKLIST**

The Supervisors of the Checklist started 2017 with its first meeting January 24<sup>th</sup> for new registrations and corrections of the voter checklist, for the March Town and School Elections. In March we attended and assisted at the Election—registering “Same Day Voters” and accepting name changes to up-date the computer system. We also attended and assisted at both Town and School Meeting.

During the summer and fall, the Supervisors met to up-date the ever changing checklist and complete the filing process.

The Supervisors attended a class at the Secretary of State’s Office to up-date the new changes for 2017-2018.

Please remember as you come in to register to vote, that you must bring proper ID to present to the Supervisors or to the Town Clerk. You may register with the Town Clerk during hours that the office is open or with the Supervisors at their appointed hours. (Dates and time will be published in the Sun Paper)

We welcomed the year 2017 after a busy 2016---but are gearing up for a busy 2018 with 3 elections.

Always remember that VOTING IS A PRIVILEGE!

Respectfully Submitted,

Marjorie J Terry  
Judith L Forsyth  
Jessie L Fifield

## TOWN CLERK/TAX COLLECTOR'S REPORT

The biggest change to our office this year was the addition of a part-time clerk. Her name is Patricia "Patty" Berubee. Please be patient while she learns our system and cash out procedures. There is a lot of information needed to know how to do this job successfully, and while most of it is second nature to us seasoned employees, she is still learning the ins and outs of the job. We appreciate your patience during this time.

We successfully navigated the year using the one-check system. We continue to send out renewal notices for motor vehicle registrations. Although the letter is confusing, whether you renew by mail or come into the office, the renewal amount is paid with one check to the TOWN OF BARNSTEAD. We electronically transfer their portion of the monies to the state daily. When doing a boat renewal in the office, please bring the notice from the state (if you have it). The state wants two signed copies of your renewal form to prove you wanted the boat registered.

Although our total year revenue decreased compared to 2016, our motor vehicle and dog license revenues continue to increase. Our motor vehicle fees were up over \$55,000 and our dog licensing fees were up over \$500. Thank you for registering your dogs in a timely manner.

Our real estate taxes are billed twice a year – July and December. We try to have our first issue tax bill out at the end of May for payment on or about July 1; our second issue bill is due on or about December 1. The tax rate is set in the fall by the state and until the tax rate is set we cannot send out December bills. The tax bills are always sent to the owner of record at the address we have on file. The initial address is taken directly off your deed. So, if you have moved from the address as it appears on your deed or on your tax bill, please be sure to fill out a property tax billing update form which can be downloaded from the Town website at [www.barnstead.org](http://www.barnstead.org). All owners are required to sign the form unless you receive a duplicate bill and you are the only owner changing your address. In most cases, bank or mortgage companies receive the information from us but check with your financial institution to make sure they have received the tax bill information.

As always, if you have any questions or concerns please call or come by the office. We are open Monday, Wednesday, Thursday, Friday 8:30am-4:30pm and Tuesdays from 11:30am-7:00pm, we don't close for lunch. We are closed the third Wednesday of each month.

Respectfully submitted,

Cynthia Treadwell, Town Clerk-Tax Collector  
Mary Clarke, Deputy Town Clerk-Tax Collector  
Patricia Berubee, Part-Time Clerk

## Annual Report of the Barnstead Zoning Board of Adjustment

The function of the Barnstead Zoning Board of Adjustment (ZBA) is to review applications from property owners seeking relief from requirements of the Barnstead Zoning Ordinance. Relief can be sought by applications for variances, special exceptions, or equitable waivers. In addition, the ZBA can consider appeals by property owners regarding land use administrative decisions made by other boards or town officials.

Applications for relief are granted based on the information provided in the application presented, the testimony given at a public hearing, the observations of the Board members at site visits, and findings by the Board that all criteria for the application has been met.

The following cases were **approved** by the Board in 2017:

1. variance to allow the construction of a workshop, 24' x 29', be built with a front yard setback of 6.8' and a side line setback of 17' – 17.4' from the property line.
2. variance to allow the construction of a 6' x 10' deck
3. variance to allow the placement of a mobile home as an ADU
4. variance to allow the construction of a structure connecting the front porch on the house to the existing deck
5. Equitable Waiver of a Dimensional Requirement for the setback requirements of the Barnstead Zoning Code
6. variance to allow the construction of a 24' x 36' garage with no living space, with a side setback of 20.50' and a front yard setback of 33.25
7. variance to allow the construction of a 25' x 45' house with a front yard setback of 6.8' from the lot line

The following cases were **denied** by the Board in 2017:

1. appeal of the Building Inspector's decision denying a certificate of occupancy to a "tiny home" of 176 square feet
2. variance to construct a 10 foot deck

The members of the ZBA are appointed for a three (3) year term by the Board of Selectmen. The Board consists of five members and up to five alternate members.

Respectfully submitted,

David Brown, Chair  
Richard Duane, Vice Chair  
Thomas McCarthy, Member  
Gary Mullen, Member  
Gordon Preston, Member  
Steven Vail, Member  
Mary Clarke, Alternate Member  
Joan Foss, Alternate Member

## BCEP Solid Waste District

[www.bcepsolidwaste.com](http://www.bcepsolidwaste.com)

### A Message from the District Committee

Changes were the mainstay of the District for 2017. After 27 years, District Administrator, Earl Weir retired. The committee, together with the staff, thanks Earl for his tireless commitment to recycling, the District, and the communities it serves. BCEP is a highly respected model throughout the State, exemplifying how a positive result can be achieved through a regional co-operative. Long-time Operations Manager John Keane left employment to pursue a private business venture with family, and Office Manager/Treasurer, Lisa Stevens, after an extensive hiring process, was appointed the new District Administrator. Jill Lavin has been hired to fill the Office Manager/Treasurer position and the operations position remains open at this time.

Recyclable markets continue to see stricter guidelines for material management, shrinking outlets for post-consumer products, and tumbling prices. Plastics recycling guidelines have changed dramatically, please take some time to read the updated brochure, check-out the new signs, and chat with a staff member with your questions. Doing what is best for the environment is always a challenge to the economics of supply and demand.

With your help, the District processed 1,210.7, tons of recycled materials for a tax offset of \$190,598.43 a true win/win for the planet and the taxpayers. Thanks for doing your part.

Comments from the public are always welcome. The District Committee meets the last Thursday of each month (except Nov. & Dec.) at the District facility at 7:00 PM. The November meeting is the Thursday before Thanksgiving, while the December meeting is posted in the Suncook Valley Sun and at the District facility. The Public is encouraged to attend and participate.

### FOR TOWN ANNUAL REPORTS LAKES REGION PLANNING COMMISSION July 1st 2016 – July 30th 2017 (FY17)

The Lakes Region Planning Commission (LRPC) is an organization created by Lakes Region communities as enabled by NHRSA 36 for the broad purpose of responding to and shaping the pressures of change in a meaningful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. As our economy and world change, so does the work we engage in. The Commission offers direct and support services to help our communities meet tomorrow's challenges. Our services include group and cooperative purchasing, technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazards planning, and economic development. LRPC is primarily funded through local, state, and federal resources. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and guidance to the governments, businesses, and citizens of the Lakes Region.

Some of the services provided on behalf of the Town of Barnstead and the region in the past fiscal year are noted below:

#### EXAMPLES OF COMMUNITY OUTREACH

- Reviewed Barnstead's Solid Waste District (BCEP SWD) and discussed with the Facility Manager;
- Discussed NH28 funding status with NH DOT engineer/project manager and project specifics with Barnstead TAC members;
- Notifying Select Boards of Commission terms and renewals;
- Updating Vulnerability and Risk Rating tables for potential hazards and disasters;
- Preparing digital scans of tax maps, land use, flood hazard, and cemetery maps and other large format documents;
- Arranging special traffic counts for towns;
- Revising Historic Resources Map to allow for a vector PDF file export;
- Reviewing zoning ordinance to determine lot size and other spatial requirements needed for development of future land use scenarios; and
- Providing copies of the NH Planning and Land Use Regulations book to the town.

#### REGIONAL SERVICES

- Hosted the June 26, 2017 Annual Meeting held at the Wolfboro Inn in Wolfboro NH, with featured speaker NH Senator Jeb Bradley. Approximately 100 attendees socialized, enjoyed the awards presentations and the Senator's speech;
- Began work on Electricity Aggregation that would ultimately save participating communities and school districts approximately \$110,000

- Completed environmental assessments on contaminated properties throughout region to control liability and encourage redevelopment through Environmental Protection Agency (EPA) Brownfields Program;
- Provided solid waste technical assistance to Lakes Region Communities through a U.S. Department of Agriculture (USDA) Solid Waste & Water grant award;
- Provided Geographic Information System and map making, printing, and scanning services to communities throughout the region;
- Assisted planning boards, ZBA's, and conservation commissions with Technical Land Use Assistance;
- Convened and staffed Pemigewasset River Local Advisory Committee (PRLAC) meetings;
- Updated the PRLAC website; addressed questions about availability of information relative to Northern Pass testimony - minutes, agenda (10 years) and Management Plan; and sent follow-up information to PRLAC representatives, including legislative tracking links;
- Addressed Northern Border Regional Commission (NBRC) award ceremony in Ashland with NHDRED Commissioner Rose, NBRC Co-Chair and representatives from US Senator Ayotte and US Representative Kuster's offices;
- Continued interim Town Planner/Circuit Rider assistance to enrolled communities;
- Led Lakes Region community involvement in Regional Public Health Roundtable and webinar on Financing Climate Change Actions;
- Responded to numerous requests for reviews on Developments of Regional Impact, prepared draft comments, discussed with staff and municipal planners, corresponded with state and local officials, reviewed relevant state statutes, and explored methods of improving LRPC process;
- Assisted many Lakes Region communities in developing and updating Hazard Mitigation Plans for acceptance by NH Homeland Security and Federal Emergency Management Agency (FEMA);
- Provided Master Plan Update assistance to communities;
- Coordinated with NH Division of Historical Resources Architectural Historian regarding panel to assist in the development of historic resources survey through FEMA Storm Recovery Program;
- Maintained appropriate staff training in FEMA hazard mitigation planning;
- Maintained dialogue and provided critical regional information to US Census on draft New Hampshire Town-wide Area Form Proposal and Manual, and 2020 Census Local Update of Census Addresses (LUCA) Information Guide and website information;
- Worked to become designated as Local Development District (LDD) through federal Northern Regional Border Commission to make region eligible for grant funding program and assisted members with upcoming funding round;
- Assisted several communities with recruiting, interviewing, and hiring new Planning Department staff members; and
- Conducted Regional Shared Services Survey to gauge communities' interest in potential shared services and cooperative buying opportunities.

## **HOUSEHOLD HAZARDOUS WASTE**

- Handled over 43 tons of Hazardous Substances from 25 Communities and safeguarded the region's overall water quality and environment through coordination of the 28th Annual Household Hazardous Waste Collection Days;
- Had the assistance of over 80 volunteers;
- Had record number of cars in attendance, 1,839;
- Business cards with supplementary information about the Lakes Region Household Hazardous Product Facility (LRHHPF) and disposal of unused medications were printed and distributed. New this year were

colorful refrigerator magnets with contact information, collection reminders, and a recipe for a non-toxic cleaner;

- This was the first year of a contract with a new vendor, Clean Venture/ACV. This arrangement is an important step in controlling costs to the communities and LRPC; and
- Our survey asked about willingness to pay a disposal fee on both latex and oil-based paints to allow for recycling of unused paint. 74% of those responding approved of the concept.

## **EDUCATION**

- Convened five Area and Full Commission meetings and facilitated discussion on: Solar power, Accessory Dwelling Units, Regional Electricity Demand Aggregation, legislation in the Lakes Region (including legislation on setback on seasonal docks, NH Energy Policy, and Complete Streets among other topics), a view from the NH Senate, and the Winnepesaukee River Basin Program;
- Provided valuable environmental consulting assistance through Phase I and Phase II Brownfield Assessments and redevelopment activity on nearly a dozen Lakes Region sites;
- Maintained a digital and traditional library of significant planning documents from air quality to zoning;
- Prepared strategic planning reports such as demographic studies, build-out analyses, and attitude surveys, etc.;
- Upgraded our website, [www.lakesrpc.org](http://www.lakesrpc.org) to include an improved home page with a rotating display and links to our most visited pages, improved HHW page, a new Solid Waste page, improved community pages, link to our new Facebook page and much more;
- Developed and awarded Lake Winnisquam Watershed Management Assistance Program;
- Collaborated with other regional planning commissions through NH Association of Regional Planning Commissions and Executive Directors' meetings in Concord;
- Coordinated with Belknap county conservation district on regional aquifer protection ordinances and supported BCCD's efforts on bank stabilization project;
- Corresponded with staff and others regarding the Lake Winnisquam Watershed Homeowners' Association watershed protection efforts and coordinated Local Source Water Protection Grant outreach meeting with NH DES;
- Coordinated Source water protection workshop and review of groundwater protection model ordinance requirements with planning board representatives from 6 communities;
- Trained by NH DHHS in Climate Adaptation Strategies;
- Researched, developed with health partners and circulated Lyme disease resources and materials;
- Coordinated and hosted several Solid Waste Roundtable meetings. Topics included: Universal Waste, Electronic Waste, Composting, Recycling, and Plastic Bags; and
- Began development of a resource guide for municipal outdoors workers and landscapers.

## **ECONOMIC DEVELOPMENT**

- Served as NH Business Finance Authority (NHBFA) Board member and voted on major credit and bond issues including loan guarantees for area businesses;
- Coordinated with area economic development groups including Belknap Economic Development Council (BEDC), Capital Region Development Corporation (CRDC), Franklin Business and Industrial Development Corporation (FBDIC), Grafton County Economic Development Council (GCEDC) and Mount Washington Valley Economic Council in pursuit of workforce development and growth opportunities for the region;

- Continued to work with area economic development organizations, and pursue relevant opportunities with the Economic Development Administration;
- Worked with NHBFA and City of Franklin officials to develop a loan application to perpetuate downtown development. Assisted city on whitewater park EDA application;
- Participated in search committee and interviews for NHBFA Executive Director; and
- Worked with Northfield EDC on wastewater system expansion.

## TRANSPORTATION

- Continued working with the Lakes Region Tour Scenic Byway Advisory Committee to spur economic development and preserve regional scenic quality and visitor experiences;
- Provided Geographic Information System services and technical land use assistance to our communities;
- Conducted over 200 annual traffic counts around the region;
- Coordinated and conducted meetings of the regional Transportation Technical Advisory Committee (TAC) to enhance local involvement in regional transportation planning and project development;
- Assisted communities with Road Safety Management Systems analysis;
- Provided assistance to two public transportation groups: The Carroll County Regional Coordinating Council, and the Mid-State Regional Coordinating Council;
- Continued work on the Regional Transportation resources webpage;
- Conducted culvert inventories in pilot communities throughout the region;
- Conducted Catch basin inventories in Alton and Center Harbor;
- Supported Complete Streets regional discussion and state legislation;
- Coordinated with NHDOT Safety Engineer and municipal officials to establish Road Safety Audits in several communities; and
- Conducted regional assessment of regional bike-ability including gaps in bicycle and pedestrian infrastructure throughout the region.

**STATE OF NEW HAMPSHIRE**  
**Town of Barnstead**  
**Warrant for 2017 Annual Meeting**

**THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.**

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

**You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Fourteenth (14<sup>th</sup>) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:**

1. To choose all necessary Town officers for the year ensuing.

			<b>VOTES</b>
2 Selectmen	3 year terms	RICHARD DUANE	224
		PRISCILLA TIEDE	237
1 Road Agent	3 year term	JAMES DOUCETTE	251
1 Library Trustee	3 year term	DEBRA LAMONTAGNE	182
1 Library Trustee	1 year term	JULIE SKINNER	242
1 Trustee of Trust Funds	3 year term	KAREN MONTGOMERY	252
2 Planning Board Members	3 year terms	KATHERINE PRESTON	231
		KAREN SCHACHT	207
2 Budget Committee Members	3 year terms	SCOTT LITTLEFIELD	132
		ALAN GLASSMAN	123
1 Overseer of Public Welfare	1 year term	ELAINE SWINFORD	230

**The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 18<sup>th</sup>, 2017, at 9:00 a.m. at the Barnstead Elementary School.**

2. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board, as follows:

Are you in favor of the adoption of Question #1, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance as follows:

- In Article 2, Section 2-1 to revise: Definitions purpose to read – Accessory Dwelling Unit: A second dwelling unit, attached or detached, which is located on the same lot as the permitted principal dwelling unit.
- In Article 4, Section 4-1.01 to delete “one bedroom” from the sentence ”or one single-family dwelling unit and one one-bedroom accessory dwelling unit” to read ”or one single-family dwelling unit and one accessory dwelling unit”.
- In Article 4, Section 4-2.02, to delete “one-bedroom” in two sentences which now read in part “single-family primary dwelling structure and one one-bedroom accessory dwelling unit” to read “single-family primary dwelling structure and one accessory dwelling unit”.
- In Article 4-3 to add “An attached accessory dwelling unit shall be permitted in all zoning districts that permit single family dwellings following approval of a special exception by the Zoning Board of Adjustment.”

- In Article 4-3.01:A to change from “Accessory Dwelling Units shall be limited to one bedroom with a minimum of 500 square feet and a maximum of 750 square feet.” to read, “Accessory Dwelling Units shall not exceed 825 square feet.”
- In Article 4-3.01:C to change “A minimum of 2 spaces are required. A second driveway for the ADU shall not be permitted unless it meets the requirements of the Barnstead Driveway Regulations.” to read “Adequate off-street parking shall be provided for the ADU. A minimum of 1 space is required. A second driveway for the ADU shall not be permitted unless it meets the requirements of any Barnstead & State Driveway Regulations.”
- In Article 4-3.01:D to change from “A second driveway for the ADU shall not be permitted unless it meets the requirements of any Barnstead Driveway Regulations.” to “Either the ADU or the principal dwelling unit shall be the principal residence of the owner of the property. This must be demonstrated annually.”
- In Article 4-3.01:E to change from “If the ADU is attached to the principal dwelling unit, a connecting door must be provided: said connecting door may be locked.” to read “The Accessory Dwelling Unit shall have an independent address designation from the primary dwelling for the purpose of locating the unit for emergency response purposes. If the Accessory Dwelling Unit is attached to the principal dwelling unit, a connecting door must be provided: said connecting door may be locked.”
- In Article 4-3.01:F to change from “All criteria of the Zoning Ordinance” to read “Lot must be compliant with all criteria of the Zoning Ordinance including, but not limited, lot sizes, frontages, yard requirements, height requirements, wetlands setbacks and shoreland protection requirements. **PASSED 153-YES 94-NO**

3. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.

4. To see if the Town will vote to appoint the Selectmen as agents to expend from the Public Safety Building Capital Reserve, previously established in 2005. (Recommended by Selectmen 5-0). (No tax impact). **PASSED WITH AMENDMENTS**

5. To see if the Town will vote to appoint the Selectmen as agents to expend from the Highway Department Heavy Equipment Fund, previously established in 1995. (Recommended by Selectmen 5-0) (No tax impact). **PASSED VOICE VOTE**

6. To see if the Town will vote to raise and appropriate the amount of One Hundred Thousand Seven Hundred Dollars (\$100,700) to hire an engineer for the purpose of designing and providing construction plans and specifications for a maximum of 4500 square foot police station and to authorize the withdrawal of Fifty Thousand Dollars (\$50,000) from the Public Safety Building Capital Reserve (current balance: \$198,445) for such purpose. The balance of Fifty Thousand Seven Hundred Dollars (\$50,700) to come from general taxation. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Not Recommended by Budget Committee 1-7). (Tax rate impact: 11 ½ cents). **PASSED OVER**

7. To see if the Town will vote to raise and appropriate the amount of Sixty Two Thousand Nine Hundred Twenty Seven Dollars (\$62,927) for the fifth year’s payment of the five year lease purchase agreement for the Highway Department Grader.
